# BARAMULLA PUBLIC SCHOOL 2023 ACHIEVEMENTS

In any institution collective sense of community is important for nurturing a positive environment. Highlighting and celebrating the achievements of students is a powerful tool to achieve it. Showcasing the talents and hard work of students on a platform, and sharing them with their parents and peers is therefore essential to generate an atmosphere of competition and inspire other students to improve and give their best.

## MAIN ACHIEVEMENTS ARE LISTED HERE

Baramulla Public School is amongst the top 500 schools of India as per the survey conducted by Brainfeed organisation for the year 2023. This coveted position is another milestone covered in its journey for excellence. The trajectory of progress continues to achieve heights.

### BPS Students Qualify For National Level in Science Exhibition

Two students **Toiba Shamshad** and **Zainab Rashid** of class 9th have been selected for the exhibition of their science projects at the national level. National Children Science Congress 2023 under the theme "Human health and well-being" invited students from all over India to submit their projects in which Baramulla public school also took part.

The team of students led by **Toiba Shamshad** under the guidance of **Mr. Prof Mohammad Assadullah Rather** & and **Mr. Asif Maqbool Lone** developed a project that was cleared at three levels i.e., district, divisional, and state, and now the **project has been selected for the National level.**

## Creation of Innovation/Incubation Cell

The school has embarked upon a comprehensive programme of popularizing science by creating infrastructure and appointing additional staff to foster scientific temperament amongst students. An innovation cell headed by Prof Mohammad Assadullah Rather has been constituted this year which exhorts, encourages, and guides the students to come up with novel ideas in science that can be given practical shape. The efforts made in this direction by school management this year have started bearing fruit.
